awarded Thunderbirds Charities Grant**

Phoenix, Ariz. - The Center for the Rights of Abused Children is excited to announce Thunderbirds Charities has generously donated \$10,000 to the Pro Bono Children's Law Clinic. These funds will go directly toward providing legal advice and representation, free of charge, for abused and neglected children. The Children's Law Clinic is a lifeline for young children as well as young adults who have aged out of foster care and face adulthood alone.

The Center for the Rights of Abused Children strives every day to protect children, change laws and inspire people to ensure every abused child has a bright future. We envision a day when all of America's children have an opportunity to live in safe and loving homes.

"Thunderbirds Charities has been a pillar of Arizona's charitable community since 1986," says Darcy Olsen, CEO of the Center for the Rights of Abused Children. "We greatly appreciate their generous financial support for the children in need who find safety, hope and a future at the Center for the Rights of Abused Children."

Thunderbirds Charities has been giving to charities focusing on at-risk individuals in the Phoenix area for decades, distributing funds raised through the PGA Tour's WM Phoenix Open. The mission of Thunderbirds Charities is to support organizations that assist children and families, help people in need and improve the quality of life in the Greater Phoenix Metropolitan Area.
